Dear Dr. Manna,

You will be happy to know that this year Indo-Brazil Symposium on the **Biochemistry of Kinetoplastid Parasites** will be held at CSIR-Indian Institute of Chemical Biology (CSIR-IICB), Kolkata on september 19 and 20, 2016.

Scientists from all over India as well as Brazil will be participating in the conference. The theme of the conference is to cover recent advances in molecular biology, cell biology, epidemiology and drug development towards leishmaniasis and trypanosomiasis.

On behalf of the organizing committee, we would like to invite you to participate and deliver a talk on your research. We plan to have your talk for 25 minutes including discussion. We hope that you will agree to participate in the Indo-Brazil Conference. A quick response by email will help us in organizing the scientific program.

A detailed program will be sent to you as soon as it is finalized. Thanking you and with regards.

Yours sincerely

Rupak K. Bhadra
