Aggregate is calculated as the sum of 4 best subjects in WBHS or equivalent examination from any other board (e.g. ISC, CBSE). Students of Science/Commerce [at H.S. (10+2)], who are willing to take Honours in an Arts subject will be considered, provided they get 60% or above marks in aggregate at (10+2) level. Only those candidates, who passed H.S. or equivalent Examination in the Years 2017 and in 2016, can apply. For candidates who passed H.S. (or equivalent) examination in the year 2016, merit marks would be calculated after deducting 10% from the Aggregate.
